MIELA YOU

Daha fazla kişiselleştirilmiş banyolar yaratmak isteyen kullanıcılar için özel olarak tasarlanan Miela You serisi, Miela serisinden farklı olarak iç metal yanaklarının üzerinde kullanılan ceviz, meşe ve krom renkli çitalarıyla banyolarda renk uyumu yakalamayı mümkün kılıyor.

Designed for those who want to create more customized bathrooms, Miela You series enable you to bring color harmony in bathrooms with walnut, oak and chrome colored laths used on the inner metal cheeks, unlike Miela Series.

Progettato per coloro che vogliono creare bagni più personalizzati, la serie Miela You permette di portare l'armonia dei colori nei bagni con listelli color noce, rovere e cromo utilizzati sulle guance metalliche interne, a differenza della serie Miela.

PLURA DUO

Konforlu Modern Uyumlu

Comfortable • Modern • Harmonious
Confortevole • Moderno • Armonioso

Plura serisi ile aynı tasarım diline sahip, ancak malzeme kullanımı ve ebat çeşitliliği ile ayrılan Plura Duo serisi, kişiselleştirilmeye elverişli modül alternatifleriyle banyolarda farklı ambiyanslar yaratmayı uygun kılıyor. Çift renkli kombinasyonlarıyla banyolara zengin bir görünüm katan Plura Duo, hayatınıza yepyeni bir heyecan katıyor.

With the same design language with Plura Series but different materials and size options, Plura Duo series make it possible to create different atmospheres in bathrooms with module alternatives suitable for customization. Bringing a rich appearance to bathrooms with its double color combinations, Plura Duo adds a brand-new excitement to your life.

La serie Plura Duo, che ha lo stesso linguaggio di design della serie Plura, ma si distingue per l'uso di materiali e la varietà di dimensioni, la rende adatta a creare diversi ambienti nei bagni con alternative di moduli adatti alla personalizzazione. Aggiungendo un look ricco ai bagni con le sue combinazioni di due colori, Plura Duo aggiunge una nuova emozione alla vostra vita.

PLURA DUO

Tek çekmece kullanımı ile ferah depolama alanları sağlayan Plura Duo serisi, Plura serisinden farklı olarak çift renk kombinasyonlu mat lake renk paletiyle banyolarda yalın bir görünüm sağlıyor.

Offering fresh storage areas with its single drawer use, Plura Duo series provides a plain look in bathrooms with its double color combination matte lacquer color palette, unlike Plura series.

Offrendo nuove aree di stoccaggio con il suo uso di un solo cassetto, la serie Plura Duo fornisce un look semplice nei bagni con la sua doppia combinazione di colori laccati opachi, a differenza della serie Plura.
